In accordance with the Ethical Standards in Public Life etc (Scotland) Act 2000 (Register of Interests) Regulations 2003 as amended, Board Members of devolved public bodies are required to give notice of their interests under the following headings:-

## 1. REMUNERATION

(i) You have a registerable interest where you receive remuneration by virtue of being:-

- employed;
- self-employed;
- the holder of an office;
- a director of an undertaking;
- a partner in a firm;
- appointed or nominated by the Board to another body; or
- engaged in a trade, profession or vocation, or any other work.

(ii) In relation to the above, the amount of remuneration does not require to be registered and remuneration received as a member does not have to be registered.

(iii) If a position is not remunerated it does not need to be registered under this category. However, unremunerated directorships may need to be registered under Category Two, "Other Roles", and non-financial interests may need to be registered under Category Eight.

(iv) If you receive any allowances in relation to membership of any organisation under Category One, the fact that you receive such an allowance must be registered.

(v) When registering employment as an employee, you must give the full name of the employer, the nature of its business and the nature of the post held in the organisation.

(vi) When registering remuneration from categories (b) to (g), you must provide the full name and give details of the nature of the business, organisation, undertaking, partnership or other body, as appropriate. When registering an interest in a partnership, you must give the name of the partnership and the nature of its business. Some other employments and remunerated positions may be incompatible with your role as a Board member.

(vii) Where you otherwise undertake a trade, profession or vocation, or any other work, the detail to be given is the nature of the work and its regularity. For example, if you write for a newspaper, you must give the name of the publication and the frequency of articles for which you are paid.

(viii) When registering a directorship, it is necessary to provide the registered name of the undertaking in which the directorship is held and detail the nature of its business.

(ix) Registration of a pension is not required as this falls outside the scope of the category.

## 2. OTHER ROLES

(i) You must register any unremunerated directorships where the body in question is a subsidiary or parent company of an undertaking in which I hold a remunerated directorship.

(ii) You must register the name of the subsidiary or parent company or other undertaking and the nature of its business, and its relationship to the company or other undertaking in which you are director and from which you receive remuneration.

(iii) The situations to which the above paragraphs apply are as follows:

- You are a director of a board of an undertaking and receive remuneration declared under Category one; and

- You are a director of a parent or subsidiary undertaking but do not receive remuneration in that capacity

## 3. CONTRACTS

(i) You have a registerable interest where you, or a firm in which you are a partner, or an undertaking in which you are a director or in which you have shares of a value as described in paragraph 6(i) below, have made a contract with West Lothian Council or NHS Lothian:-

(a) under which goods or services are to be provided, or works are to be executed; and

(b) which has not been fully discharged.

(ii) You must register a description of the contract, including its duration, but may exclude the value.

## 4. ELECTION EXPENSES

(i) If you have been elected to the Board rather than having been appointed to it, then you must register a description of, and statement of, any assistance towards election expenses relating to your election.

## 5. HOUSES, LAND and BUILDINGS

(i) You have a registerable interest where you own or have any other right or interest in houses, land and buildings, which may be significant to, of relevance to, or bear upon, the work and operation of the Board.

(ii) The test to be applied when considering the appropriateness of registration is to ask whether a member of the public acting reasonably might consider any interests in houses, land and buildings could potentially affect your responsibilities to the organisation to which you are appointed and to the public, or could influence your actions, speeches or decision making. You must disclose the address of any such property to the Board's Standards Officer but it will not be published as part of your Register.

## 6. INTERESTS IN SHARES and SECURITIES

(i) You have a registerable interest where:

(a) you own or have an interest greater than 1% of the issued share capital of a company or other body; or
(b) Where, at the relevant date, the market value of any shares and securities (in any one specific company or body) that you own or have an interest in is greater than £25,000.

(ii) Where you are required to register the interest, you should provide the registered name of the company in which you hold shares; the amount or value of the shares does not have to be registered.

## 7. GIFTS AND HOSPITALITY

(i) As you will not accept any gifts or hospitality, other than under the limited circumstances allowed, there is no need to register any, or the offer of any, except if you consider that declining an offer of a gift would cause offence.

## 8. NON-FINANCIAL INTERESTS

(i) You may also have a registerable interest if you have non-financial interests which may be significant to, of relevance to, or bear upon, the work and operation of the body to which you are appointed. It is important that relevant interests such as membership or holding office in other public bodies, clubs, societies and organisations such as trades unions and voluntary organisations are registered and described.

(ii) In the context of non-financial interest, the test to be applied when considering appropriateness of registration is to ask whether a member of the public might reasonably think that any non-financial interest could potentially affect your responsibilities to the organisation to which you are appointed and to the public, or could influence your actions, speeches or decision-making.

## 9. CLOSE FAMILY MEMBERS

(i) You must register the interests of any close family member who has transactions with the Board or is likely to have transactions or do business with it.
